# Free Monday Movies

4th Monday of the month  
(except May and June) 6:30 to 8:30 PM

A **FREE** monthly  
(January through November)  
gathering celebrating the connections  
between health, agriculture,  
food security, the economy, community  
and **EARTH**.

Watch the film and take part  
in a follow-up conversation.

**July 23**

**Byron Hurt**

**Hip-Hop: Beyond Beats and Rhymes**

Director Byron Hurt, former star college quarterback, pays tribute to hip-hop and challenges it to take responsibility for glamorizing destructive, conservative stereotypes of manhood. Featuring rappers Mos Def, Fat Joe, Chuck D, Jadakiss, and Busta Rhymes, hip-hop mogul Russell Simmons.

Hosted by:  
North End Woodward Community  
Coalition (NEWCC) & WNUC-lp  
96.7 FM Detroit Community Radio

**August 27**

**David Shulman**

**Dirt and Deeds in Mississippi**

**Emmy Award Winner**

Narrated by Danny Glover, *Dirt And Deeds In Mississippi* uncovers the largely unknown and pivotal role played by Black landowning families in the deep South who controlled over a million acres in the 1960s.

Hosted by:  
Detroit Black Community Food  
Security Network

**September 24**

**Here's to Flint**

*Here's to Flint* explores the events that resulted in the lead contamination of drinking water in a city of 100,000 people, and offers an urgent and rousing portrait of ordinary citizens who are fearless in standing up to power.

Hosted by:  
ACLU of Michigan

**October 22**

**Greening the Revolution**

*The film* looks at the resistance to harmful economic policies, amazing sustainable alternatives, organic agriculture practiced by brilliant small farmers, and the overall courage and hope found in the hearts of people refusing to accept a food system based on profits over human dignity.

Hosted by:  
Keep Growing Detroit

**November 26**

**Fixed the Science/Fiction of Human Enhancement**

*From botox to bionic limbs, the human body is more "upgradeable" than ever. The award-winning documentary, explores the social impact of human augmentation. Fixed rethinks "disability" and "normalcy" by exploring technologies that promise to change our bodies and minds forever.*

Hosted by:  
Detroit Disability Power
